

The Infiniti Total Ownership Experience

Infiniti Elite Extended Protection Plan

Extend your new Infiniti coverage or protect your pre-owned investment with the Infiniti Elite Extended Protection Plan.

Created exclusively for Infiniti vehicles, this comprehensive plan covers nearly everything beyond your regularly scheduled maintenance, for up to 8 years or 120,000 miles from the vehicle's original delivery date. Plus, it includes car rental coverage and an extension of your standard 4-year Roadside Assistance coverage.

Here are some of the Elite protection benefits you can count on:

Service at authorized Infiniti Retailers and repair facilities

Put your vehicle in the knowledgeable and experienced hands of Infiniti-trained technicians.

Genuine Infiniti replacement parts

You don't have to settle for inferior substitutes - your Elite plan coverage provides for the cost of parts designed especially for use on Infiniti vehicles.

Unlimited claims

Unlike other plans, the Elite Infiniti Extended Protection Plan does not limit the number of claims for covered repairs.

Roadside assistance

Immediate roadside or towing assistance is only a toll-free phone call away, anywhere in the U.S. (1.800.662.6200). And if you're away from home, our trip interruption coverage will help you with lodging, meals, and alternative transportation.

Car rental coverage

Reimbursed up to \$50/day (5-day maximum).

Transferable coverage

It may even help the resale value of your Infiniti if you decide to sell before your coverage expires, because the Elite plan is transferable to a new owner.

Infiniti Elite Extended Protection Plan

The Elite Infiniti Extended Protection Plan is an exceptional value - not just for the coverage it offers, but also for the peace of mind. We may even be able to include the cost in your monthly payment when you finance your vehicle.

Snug Kids™ Safety Seat Fit Guide

At [Coulter Infiniti](#), we take automobile safety seriously. Parents know that finding the right child seat is an important part of protecting our children on the road. And Infiniti

has always recognized that the safety of all of our passengers is at the core of everything we do. That is why Infiniti introduced Snug Kids™, an industry-first program geared specifically toward safety for children in child restraints. Not all child restraints fit in all vehicles. Infiniti safety engineers have spent thousands of hours evaluating hundreds of child restraints by installing them in all the rear seats of our current Infiniti vehicles. The result is the Snug Kids™ Child Safety Seat Fit Guide which helps parents confidently select a child restraint that fits their vehicle while also providing valuable tips on the proper fit of a child restraint. The Snug Kids™ Child Safety Seat Fit Guides for all Infiniti vehicles are available for download [here](#).
