## IT HAPPENS EVERY DAY.

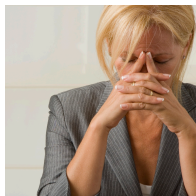

1 in 160 vehicle owners in the United States are victims of auto theft each year.

While it is impossible to guarantee that your vehicle won't be stolen, there are simple, cost effective measures you can take to deter auto thieves.

By permanently marking major areas of your vehicle with traceable identification numbers, it becomes much more difficult to resell, either whole or in part.

The visible presence of the Equi-Pro® Theft Deterrent identification number on your vehicle makes it a less attractive target for auto thieves.

## PROTECT YOUR INVESTMENT.

The Equi-Pro® Theft Deterrent Program provides two layers of protection:

- a proven theft deterrent device considered by many law enforcement departments as **the most effective means of deterring theft**, and
- valuable financial assistance if your vehicle is stolen.

### How the Program Works

1. You and your vehicle are assigned an identification number.
2. This identification number is either engraved onto each glass window of your vehicle, or affixed to the body panels of the vehicle by means of super adhesive stickers.
3. Warning decal stickers are placed on both the driver and passenger side windows, alerting people that the vehicle has been protected with a theft deterrent device.
4. Your name and identification number are then entered into a computerized vehicle system.

## RECOVER FROM THE UNEXPECTED.

If your vehicle is stolen, The Equi-Pro® Theft Deterrent Program provides these important features:

- ▶ **VEHICLE PROTECTION EXPENSES**  
If your vehicle is declared a Total Loss, you will be reimbursed for expenses you incur as a result of the theft, including your insurance deductible, temporary vehicle rental expenses, and expenses for your replacement vehicle.
- ▶ **DEALER REPLACEMENT BENEFITS**  
If your vehicle is declared a Total Loss, The Equi-Pro® Theft Deterrent Program will pay, directly to your dealer, an amount applied to the down payment of your replacement vehicle.
- ▶ **PARTIAL LOSS BENEFITS**  
If your vehicle is declared a Partial Loss, you will be reimbursed for theft related expenses up to \$1,000.

Please see your contract for specific details.
