Some Vehicles Extra

See video of how your Wynn's Services are performed at [www.wynnsforyourcar.com](http://www.wynnsforyourcar.com)

### Wynn's Brake System Service

The complete brake system is flushed with the state-of-the-art Wynn's Brake Flush Machine. Wynn's brake fluid exceeds U.S. Department of Transportation specifications. The service helps extend the life of brake system components and provides brakes you can count on in all situations. New brake fluid is fed into the master cylinder reservoir, all four wheel cylinders are simultaneously bled and all moisture and air are eliminated from the brake system.

\$129.95

### Wynn's Cooling System Service

Wynn's Cooling System Flush Service utilizes specially designed equipment that connects to your vehicle's cooling system, and when combined with Wynn's proprietary cooling system chemicals, safely flushes out the used coolant and contaminants. Fresh coolant is then pumped in along with conditioners that help maintain your cooling system and help it to perform as intended by the vehicle manufacturer.

\$144.95

### Wynn's Complete Fuel System Flush Service

Cleans the fuel injectors, fuel lines, intake valves, combustion chambers, throttle plate and throttle valve of deposits. Restores the fuel system to maximum performance, easier starting, smooth idling, increased power and eliminates knocking. Helps to restore maximum fuel economy & minimum emissions. The removal of intake valve and combustion chamber deposits help restore your vehicle to it's original specifications.

\$279.95

### Wynn's Differential Fluid Flush Service

Flush out the old gear oil, replacing it with Wynn's high performance synthetic gear oil and a high pressure lubricant using the state-of-the-art Wynn's Differential Flush Machine. A must for heavy towing, stop and go driving and off road conditions that cause excessive wear and gear noise. Extends differential component life, and provides superior protection, especially under extreme conditions. Protects against friction, wear and corrosion.

\$159.95

### Wynn's Oil System Cleaning Service

Wynn's Internal Engine Cleaner is run through your engine to dissolve sludge and varnish, and helps remove particulates and wear debris. This will reduce contamination of the new oil. After changing the oil and filter, Wynn's Supreme Oil Treatment is added to prolong the life and enhance the performance of the new oil. A cleaner, better running engine gives you, peak engine performance, longer engine life, fewer costly repairs, reduced exhaust emissions, and better gas mileage.

\$ 53.95

### Wynn's Power Steering Flush Service

Wynn's heavy duty flush cleaner is formulated to loosen and remove sludge and other contaminants from the system. The system is refilled with the correct manufacturer recommended fluid, thus restoring proper performance. This helps prevent sluggish steering on cold mornings, reduces or eliminates steering noise, provides proper lubrication of power steering components, helps avoid premature, unexpected and expensive steering system failures.

\$129.95

### Wynn's Transmission Flush Service

A specially formulated Transmission Flush chemical safely removes harmful sludge and varnish deposits which are then removed with the old fluid. This service utilizes patented equipment to remove over 95% of the used contaminated fluid, conventional drain and refill services remove only 2/3's of old fluid. Proprietary conditioning chemicals are added to the new ATF to help extend transmission fluid life, smooth rough or hard shifting problems, help revitalize seals and o-rings, and helps stop and prevent leaks.

\$179.95

### Wynn's Transfer Case/ Manual Transmission Flush Service

Flush out the old gear oil, replacing it with Wynn's high performance synthetic gear oil and a high pressure lubricant using the state-of-the-art Wynn's Differential Flush Machine. A must for heavy towing, stop and go driving and off road conditions that cause excessive wear and gear noise. Extends gear component life, and provides superior protection, especially under extreme conditions. Protects against friction, wear and corrosion.

\$159.95

## SCHEDULED MAINTENANCE SERVICES

Mac Haik Dodge Chrysler Jeep developed these recommended scheduled maintenance services, based on our extensive automotive repair and service experience and with consideration for the local climate and "stop and go" driving conditions.
