

EXOTIC DRIVING TOURS

Our Exotic Car Tour is a great alternative to a daily rental. It gives you an opportunity to drive 5 exotics in one day.

DRIVE FIVE EXOTIC CARS — IN ONE DAY — from \$695 per person

Each tour is a predetermined road course led by our Driving Specialist Steve Fordham. The tour lasts from 4 to 5 hours with a break for lunch and each participant receives a video of their driving experience.

Tour dates are planned for the first, third and fifth Sunday of every month. Reserve your seat for as little as \$695 per person or \$1200 for two.

Customized tours and dates are available to companies for client appreciation, team building or sales incentives. Bachelor and bachelorette party packages are also available.
