

# PLATINUM MOTOR CLUB

More and more people are realizing that now is not the time to own expensive, highly depreciating assets like exotic and luxury vehicles. Smart enthusiasts have found they do not need to own but can still enjoy cars like Ferrari, Lamborghini and Rolls Royce through a luxury car service offering cars throughout Texas while being supported by first class service.

A membership makes perfect sense for individuals who still want to have fun driving but don't want the burden and unpredictability of luxury car ownership, or for enthusiasts who travel and want access to luxury cars while away. Motor Car Club members have access to vehicles in all major cities throughout the state of Texas.

## Flexibility

Membership is built around the way you enjoy your lifestyle.

## Service

Our passion to make sure you enjoy your experience in our vehicles is upheld by our team who are available 24/7.

## Simplicity

Pricing is based on driving with no large upfront costs.

## Key features

- ▶ Access to a multi-million dollar fleet of vehicles in pristine condition
- ▶ Guaranteed vehicle availability in as little as 10 hours
- ▶ No maintenance costs or fuel surcharges
- ▶ All vehicles maintained by Platinum Motorcars

Motor Car Club gives members access to a fleet of luxury and exotic cars without the complications of ownership. Potential members choose from three monthly packages based on annual driving days needed per year.
