

PRETTY WOMAN - \$5,000

Remember the movie? Well, this comes pretty close. You'll first check into Hotel ZaZa into one of the Magnificent Seven suites, where your convertible Porsche or Mercedes awaits you. Enjoy a leisurely drive throughout the city of Dallas while going on an elite shopping excursion to a boutique in which only few can lavish themselves. Once shopping has been exhausted, a relaxing spa package from V-Spa™ at The Verandah Club awaits you. Return to Hotel ZaZa in preparation for dinner where you will then be whisked away by a private chauffeur in a Rolls Royce Phantom. After enjoying a night out on the town, return to Hotel ZaZa and enjoy a luxurious overnight stay. Your evening is gently complimented with the sheets softly turned down with an overlay of petals. Your stay is completed by breakfast in bed with an added bonus of a late checkout.
