

Pinnacle Protection Plan

The Pinnacle Protection Plan, our most comprehensive protection option, is the highest level of protection we offer to the vehicle buyer. Basically, if it's not listed in the exclusion section on the contract – it's covered! This protection is available for vehicles 7 years old or newer with 60,000 miles or less on the odometer at the time of purchase.

Preferred Protection Plan

The Preferred Protection Plan is the highest level of "stated component" coverage we have available. From your engine to your power windows, Preferred coverage pays to repair or replace failed items that are "stated" in the "What is Covered" section of our contract. This protection is available for vehicles 10 years old or newer with 125,000 miles or less on the odometer.

Medallion Protection Plan

The Medallion Protection Plan will keep you on the road without breaking the bank. Medallion coverage is strong component coverage for older vehicles. Easy to understand, easy to use and easy on the wallet, this is a smart way to "hedge your bet" against your vehicle's repairs. This protection is available for vehicles 10 years old or newer with up to 125,000 miles, and covers the things that keep your vehicle running and your passengers comfortable.

PowerWrap Protection Plan

The PowerWrap Protection Plan is an absolute no-brainer for owners of any vehicle with an extended powertrain warranty. If your vehicle has a powertrain warranty beyond the full manufacturer's warranty, you can "wrap" the coverage and make your warranty become as comprehensive as our Pinnacle Protection Plan, at a reduced cost. This protection is available for vehicles 2 years old or newer with up to 36,000 miles.

Powertrain Protection

This component coverage offers protection for all parts of the engine, transmission/transfer case, rear and front drive axle and seals and gaskets listed in the agreement. This protection is available for vehicles 10 years old or newer with up to 125,000 miles.

NEW! Powertrain Elite Protection

At the request of many agents, NAC is excited to announce our new **Powertrain Elite** program. This component protection provides coverage for all parts of the engine, transmission/transfer case, rear and front drive axle and seals and gaskets listed in the agreement for vehicles **no matter what model year or mileage!**
