

Take Advantage of the extra protection you need.

Unexpected mechanical failures happen, and although factory and dealer warranties are important, they have limitations and may only cover major components.

Advantage offers extensive coverage, which means you'll rest easier, knowing you'll have protection against costly repairs due to mechanical failures.

Protect Yourself From the Unexpected

Repair	Today's Average Cost Without Advantage*	Projected Average Cost In 3 Years Without Advantage**
Engine Replacement	\$4,858	\$5,222
Transmission Replacement	\$2,774	\$2,982
AWD/4WD Transfer Case	\$2,398	\$2,578
Hydraulic (Brakes) Control Assembly	\$1,301	\$1,399
Rack & Pinion Steering	\$922	\$991
A/C Compressor	\$836	\$899

All Coverage Plans Include These Additional Plan Benefits**:

Emergency Road Services**:

Trip Interruption - If a covered breakdown occurs more than one hundred (100) miles from your home and the repair facility has to keep your vehicle overnight, you will be reimbursed for motel and restaurant expenses.

Lock-Out Assistance - If your keys are lost, broken or accidentally locked in your vehicle, you will be reimbursed for locksmith services.

Jump-Start Assistance - If your battery becomes discharged, you will be reimbursed for jump-start services.

Flat Tire Assistance - If you experience a flat tire, you will be reimbursed for the removal of the flat tire and replacement of your spare tire.

Fluid Delivery - If you are in the situation when you need an emergency supply of gasoline, oil or water, you will be reimbursed for the delivery of the necessary fluid. You must pay for the fuel or other fluids at time of delivery.

Tire Road Hazard Coverage - If your vehicle tire(s) is (are) damaged from a road hazard, you will be reimbursed for the repair or replacement of the tire. A "road hazard" is a pothole, rock, nail, wood, tree limb/branch, or other debris on the road surface.

Towing Coverage:

In the event of a mechanical breakdown of a covered part and your vehicle requires towing, you will be reimbursed for the towing expenses.

Substitute Transportation Coverage:

In the event of a mechanical breakdown of a covered part, you will be reimbursed for substitute transportation (rental) expenses.

Transfer Benefit:

Your service contract is transferable, one time only, to a private party purchaser if you sell the vehicle while the service contract is still in force (must complete transfer form and pay transfer fee).

*All services subject to maximum reimbursement limits. Please see your service contract for all details.

**Coverage not available in all states. Please see your service contract for all details.

Advantage Component Protection Options

1. Powertrain Coverage:

Gasoline/Diesel Engine: All internal lubricated parts: engine block; cylinder head(s); exhaust manifold; expansion plugs; harmonic balancer; intake manifold; mounts; oil pan (excluding drain plug related failures); rotary engine rotor housing; timing belt/chain and tensioner; timing chain cover; valve cover(s); water pump; seals and gaskets within component group.

Surcharged coverage: supercharger/turbocharger (factory installed).

Transmission: (Automatic, Standard or Transfer Case): All internal lubricated parts within the transmission: cooler lines (metal); mounts; throttle valve cable; torque converter; flywheel/flexplate; transmission and transfer case housing; transmission cooler; oil pan; vacuum modulator; external and internal control units; seals and gaskets.

Front/Rear Wheel Drive: All internal lubricated parts within the drive/transaxle assembly including: axles and axle bearings; constant velocity joints; constant velocity boots; drive axle housing; drive shaft support; differential cover; hub bearings; front hub locking assemblies; drive shaft; universal joints; four wheel drive actuator; seals and gaskets.

Fluids: Fluids in conjunction with a covered repair.

2. Powertrain Plus Coverage: All components listed above in addition to the following components:

Electrical: Alternator; alternator voltage regulator; back up light switch; distributor; bushings, gear, housing and shaft (excludes cap, rotor and spark plug wires); horns; ignition coil; oil pressure sending unit; main engine wiring harness; ignition module and main electronic control unit; powertrain control module; starter motor; solenoid and starter drive; switches (the following electrical switches when manually or mechanically operated): brake light switch, defogger switch (excludes relay), headlight dimmer switch, headlight switch, ignition switch, mirror switch (power), turn signal switch, washer pump switch, window switches and wiper switch; power mirror motor, washer pump motor; and wiper motor (front and rear).

Fuel: Fuel pump; fuel distributor; injectors: lines (metal); pressure regulator; rail; tank; fuel tank sending unit; throttle body; idle speed or automatic idle speed assemblies; warm up regulator; seals and gaskets.

Surcharged coverage: Diesel: accessory vacuum pump and injector pump.

Cooling System: Electric cooling fan motor; blade assembly and fan clutch; radiator; belt tensioner; heater core; thermostat; heater control valve; seals and gaskets.

Air Conditioning: Accumulator; blower motor; compressor; clutch, internal parts and pulley assembly; condenser; receiver/dryer; evaporator; orifice tube; POA valve; suction control devices; thermostatic expansion valve; high/low compressor cutoff switch; pressure cycling switch; seals and gaskets. A/C lines, idler pulley and bearings, or refrigerant are covered ONLY if needed in conjunction with the repair of an above listed part.

Brakes: Master cylinder; power brake cylinder; vacuum assist booster; hydro boost; disc brake caliper; wheel cylinders; compensating valve; brake hydraulic lines and fittings; hydraulic control unit; seals and gaskets. The following ABS parts are also covered: electronic control processor; wheel speed sensors; hydraulic pump/motor assembly; pressure modulator valve/isolation dump valve; accumulator; seals and gaskets.

3. Advantage Coverage: All components listed in sections 1 and 2 above in addition to the following components:

Front Suspension: Ball joints; control arm: bearings, bushings and shafts; torsion bars, mounts and bushings; stabilizer bar, radius arm and bushings; height sensor, mode switch; spindles; McPherson struts (front only and excludes springs) and upper pivot bearing mounting assembly; wheel bearings; wheel seals; seals and gaskets.

Steering: All internal lubricated parts within the steering gear and power steering pump; power steering hoses and couplings; intermediate shaft and main shaft; steering gear and pump housing; pitman arm; idler arm; tie rod ends; drag link; tilt wheel mechanism; rack and pinion gear and housing.

High-Tech Package: Air conditioning: power module, controller and relay; antenna motor and mast (power factory installed only); burglar alarm (factory installed): relays, sensors and siren; convertible top engagement switch and motor; cruise control: module and electronic servo/transducer and amplifier; door lock actuators/solenoids (power only); head lamp door motors (only); air conditioning and heating dash control unit/temperature control programmer (excludes cathode-ray tube "CRT" display); ignition spark control pick-up sensor; instrument cluster: electronic driver information display module/power supply, gauges and speedometer head (excludes bulb and CRT display repairs); keyless entry system; level control (electronic only): sensors, limiter valves and compressor; power seat motor and transmission; sunroof motor; switches (electric): blower motor (heater/A/C) switch, burglar alarm switches (factory installed), cruise control engagement switch, door lock switches, seat switches, sunroof switch, trunk lid release switch and window switches; trunk lid release activator and motor; and window (power): gear, motor, regulator and lift tape.

Advantage Preferred Coverage

Advantage Preferred is a "blanket" protecting all vehicle components on new and pre-owned vehicles against the cost of breakdowns due to mechanical defects, subject to specified exceptions. Excluded components and other exceptions are summarized below.

Exclusions

Each Advantage plan is designed to cover breakdowns resulting from the failure or malfunction of mechanical parts covered under the plan. Exclusions will apply for such matters as:

- a. vehicle misuse, commercial use and racing, and vehicle alterations;
- b. damage caused by a non-covered part or an external force or event;
- c. routine maintenance; leaks and noises;
- d. repairs or replacements that are unauthorized, for performance enhancement, or subject to a manufacturer's warranty, manufacturer's recall or other coverage;
- e. any vehicle retrofitted with aftermarket equipment to use alternative fuels including but not limited to: LPG, CNG, methanol, ethanol, or RFG.

In addition, the following components are among those explicitly excluded: batteries, body and trim items (including adhesives and convertible tops), fasteners, nuts, washers and bolts, frame, upholstery/seat frames, seat belt assemblies, air bag system and components, glass, sheet metal, weather strips, shocks, cellular phones and other convenience items, equipment not installed by the manufacturer, belts, brake drums and rotors, exhaust pipe system, catalytic converter, friction materials, valve grinding, hoses, light bulbs, lubricants, manual transmission clutch disc, throw out bearing, pilot brushing and clutch components, spark plugs and wires, wiper blades, alternative fuel systems, tires (unless covered under Emergency Road Service), paint, bright metals, sealed beams, headlight assemblies, taillight assemblies, CHMSL stop lamp assemblies, all electric powered or hybrid fuel parts and components subject to a surcharge (unless the surcharge coverage is selected). A complete list of exclusions appears in the vehicle service contract.

This placemat is not a service contract but an outline of the Advantage service contract program. See your service contract for exact terms, coverages and exclusions.
